The IUCN Green List International Exchange brings together a diverse and influential group of conservation leaders, experts, and practitioners from Green Listed protected areas and EAGL members to exchange on crucial matters related to effectiveness and equity of protected and conserved areas. This year's exchange will focus on the following objectives:

- Learning from the exemplary management practices of Écrins National Park, a Green Listed protected area in France, in biodiversity conservation, sustainable tourism, community co-management, scientific research, and climate change adaptation;
- Engaging with IUCN Green List Secretariat to understand the latest developments in the IUCN Green List programme and global protected area strategies;
- Fostering international networking and potential twinning partnerships between Chinese and French protected areas, and enhancing the professional capacity and global vision of protected area managers from China.

Flight information for this exchange programme is as follows:

- Outbound: 30 November 2026, Air China CA875, Beijing Capital International Airport (PEK) → Paris Charles de Gaulle International Airport (CDG), departing 02:50 (Beijing time), arriving 07:00 (local time).
- Return: 2 December 2026, Air France AF382, Paris Charles de Gaulle International Airport (CDG) → Beijing Capital International Airport (PEK), departing 23:30 (Paris time), arriving 17:40 on 4 December (Beijing time).

We believe that your expertise and insights are invaluable to achieving the objectives of this exchange. Your participation will contribute significantly to the success of our collective efforts to protect our planet's precious natural heritage. Please note that your participation will be fully covered by your facility (international flight, local transport, meals and accommodations). To confirm your attendance or for any inquiries, please contact Ms. Wenjia JIN at wenjiajin@iucn.org or +86 137-1680-0098.

We are eagerly looking forward to your presence and active engagement at this international exchange.

Sincerely,

 Yan ZHANG Head of IUCN China	 Sébastien MONCORPS Director IUCN French Committee	 Samuel SEMPE Deputy director, Écrins National Park
